Daily Fees

Basic Daily Care Fee: This fee is a Government regulated fee and is adjusted bi-annually with the Commonwealth Aged Care Pension. As at 1 July 2019 this fee is \$51.21 per day. It will be indexed again in September 2019.

Extra Service Fee: Trinity Manor Balwyn is an Extra Service facility. The Extra Service fee is \$45 per day (see Extra Services sheet for inclusions).

Means Tested Care Fee: We receive a certain level of subsidy from the Department for each resident to assist with the costs of care and services. Residents with a certain level of income and assets are required to contribute towards the costs of their care. Where a resident is assessed as being able to contribute to the costs of their care, the Department of Health requires the resident to pay a means tested care fee in addition to the standard resident contribution. When the Department tells us that a resident is required to pay a means tested fee, Trinity Manor receives a lower amount of subsidy from the government.

The means tested care fee a resident may be required to pay is dependent on resident's assessed level of income and assets and starts from \$1.00 per day, is capped at \$27,532.59 per annum and \$66,078.27 for lifetime.

Respite Fees: The Basic Daily Care fee plus the Extra Service fee is the current funded respite fee (see above for fees).
