MESSAGE FROM THE LIFESTYLE TEAM

Hi Everyone,

We have had a few severe hot days and we hope everyone is remembering to stay hydrated.

This is very important as we get older. We help our Elders stay hydrated by encouraging extra sips of fluids, over various times of the day with a glass of water, cordial or lemonade. Offering other ways to hydrate with Icy Poles and Gelati Cups.

If you haven’t gotten your Booking for Valentine’s Day in please do so by 7th February for a fabulous special lunch and listen to Paul Gillett who will entertain us.

27th February have engaged Kylie, the Ukulele Lady and keen to see her performance, come along and join us.

We look forward to our Volunteers back again with open arms. Kheng visits over the weekend providing individual visits, so too does Anna during the week on a Wednesday. Ann K. assists us each Wednesday during Hairdressing appointments, then we have Chris who hosts activities, Janine who hosts our Carpet Bowls and Gabby who in assists our High Tea.

Back from Holidays are our Knitting Volunteers—Joan, June & Betty; Peta with Classical Music Appreciation and Kath C who hosts Coffee & Conversations; Kath P will be back to run our Football Tipping Competition for 2019. Dave had a short break and drives the bus on Thursdays a couple of times per month for us.

We are looking forward to Bev when she is back from New York. Her choir were invited to sing at Carnegie Hall in New York!!!! What an experience and we cannot wait to hear all about it.

Did you know that Volunteering help you feel part of a community. It helps you feel better about yourself by improving self-esteem and confidence. It has the ability to share your skills, learn new skills and create a better work-life balance plus help combat stress, loneliness, social isolation and depression.

As always we welcome the involvement of family and friends in any of our activities, do not hesitate to join us any time. A reminder to Check out ‘Weekly Activities Planners’ - as well as – ‘Special Event Posters on our Communal Bulletin Boards and at Reception to keep up with all the latest happenings. Ask any time for Copies of Elder Photos – these can be printed on demand; to give to family and friends.

As always we welcome Family & Elder input in new Activities we could introduce in 2019. We love feedback and suggestions! We hope you enjoy the February newsletter.

Cheers, Jessie Bainbridge, (Lifestyle Manager) & The Lifestyle Team:

Trinity Tennis Open

Elders gathered in great spirits for our version of Tennis Finals at Centre Court Arena. With our own rules adjudicated by our Volunteer Janine, it was a recipe for alot of fun and laughter. With our top seeds battling it out and our audience on the sidelines revving our players up, the atmosphere created by our all was magical.

Marianna who was a good sport in being one of our Tennis Players. After a fought out rally she was Seeded in the top 6 players, however she lost her round.

Cliff lost his Quarter Finals berth to Maria, but showed true sportsmanship. Even our Ref (Janine in the White Hat) congratulated him, so did his opponent Maria

Finals!!! It was a long and exhausted battle fought out with true style and grace. In the end Maria was unable to get across the line, coming second in the Finals with Pam hailed as the winner.
First High Tea with a Summer Theme for 2019. A wonderful way to reminisce of Summers past, looking back on how Bathers looked across the ages. Huge thank you to our 2 Volunteers—Chris & Gabby. Chris brought her grandson Luca along too!
An amazing array of Australian Reptiles and Animals were on show for our Australia Day celebrations.

Vince gave us further information on the Reptiles, where they are from within Australia, their Habitat and further interesting information. Then onto Ally, Peeky and Splash

Sandy, Merle and Cinzia with Bruce the Python, even our Staff thought him to be handsome, he was quite the popular fella. Bruce is about 15 years old with Pythons living until their around 25 years of age.

Beverley with Sue, a Pigmy Python, who is the smallest Python in the world.

Kim with our Blue Tongue Lizard.
Of course we couldn’t leave without a cuddle from Lucy, a Murray Darling Carpet Python. She had exist markings and a very affectionate girl.

Yam & Kim, Doris and Alan—all enjoyed meeting the girls—Goldy & Missy. Both are Blue Tongue Skinks. Blue Tongued Lizards are welcome pest controllers in Australian Gardens.

Also visiting us were Ally the Wombat (still growing & “only” 20kg); Peeky the Sugar Glider and Splash the Freshwater Croc.
During the hot weather we have been enjoying Icy Poles and for a treat Gelati’s Helen, Sandy and Kay enjoy the Lemon Flavour

Enjoying Gelati’s at High Tea
A great Afternoon Tea at Zint in Surrey Hills, Shirley’s sons surprised her by joining us.

Helen & Margaret help us fold the many Napkins we use.

June & Kim enjoy some time together using Art as Therapy.

Stuart’s many colorful and vibrant socks is a cause for many conversations. Here he is with one of his favorite pair depicting Sloths.

An AUSSIE GENTLEMAN

G’day mate
Pleased to make your acquaintance.

He’s blotto
Inebriated beyond the capacity to stand up.

You little ripper!
Words of praise fail me.

Rack off
Your presence is no longer required.

Fair dinkum
Of course I’m telling the truth.

Pull ya head in
You may be correct in your assertion but shut up.

Wanna rage?
Would you like to drink large amounts of alcohol with me until we both drop?

You drongo
A rather dimwitted person.

Your shout
If you value your well being you should buy the next drink.

Go on
I’m not entirely convinced you know what you’re talking about.

Whatdayawant?
Might I enquire about your needs?

Have a chunder
The delicate act of regurgitation.

You pong
Dear me, we do smell don’t we.

Bloody oath!
I’m in total agreement with you.

Howya going?
May I enquire about your welfare?

Give it a go ya mug!
Are you perhaps incapable of performing this act?

From 1 July 2019, the Quality Agency expects organizations providing aged care services in Australia will be compliant with the new Aged Care Quality Standards. The Aged Care Quality Standards were developed by the Australian Government Department of Health in collaboration with consumers, carers, aged care providers, aged care workers, clinicians and other experts.

Compliance with the Quality Standards is mandatory when caring for people. Organizations are required to demonstrate performance on an ongoing basis to meet Australian Government requirements. The Australian Government may take action if organizations do not comply.

Standards provide a framework of core requirements for quality and safety. Some Standards will apply differently to organizations, depending on the types of care and services they provide. Many organizations will go beyond these core requirements to provide a higher standard of care and services for consumers.

The Quality Standards focus on outcomes for consumers and reflect the level of care and services the community can expect from organizations that provide Commonwealth subsidized aged care services.

The Quality Standards will move from 4 Standards to 8, the Quality Standards are made up of the below individual standards:

1. Consumer dignity and choice
2. Ongoing assessment and planning with consumers
3. Personal care and clinical care
4. Services and supports for daily living
5. Organization's service environment
6. Feedback and complaints
7. Human resources
8. Organizational governance.

Each of the Quality Standards is expressed in 3 ways:
1. A statement of outcome for the consumer
2. A statement of expectation for the organization
3. Organizational requirements to demonstrate that the standard has been met.

The structure of the standards allows quality assessors’ assessment and monitoring processes to focus on consumer outcomes and consider evidence of the consumer’s experience and the systems and processes that the organization has in place to support the provision of safe and quality care and services.
