Trinity Manor Greensborough

You can choose to pay for your accommodation by three separate ways. A Refundable Accommodation Deposit (RAD), a Daily Accommodation Payment (DAP) or a combination of a RAD/DAP. The DAP is calculated using the interest rate set by the Australian Government. The figures in this document were calculated using the interest rate of 8.17%.

Fully or Partially Supported Resident: If your assets are below \$206,039.20 and you meet the annual income tests for Residential Care via Centrelink, you may be eligible for a Partial or Fully Supported Placement. Please discuss with the Admissions Manager for further information.

Daily Fees

Basic Daily Care Fee: This fee is a Government regulated fee and is adjusted bi-annually with the Commonwealth Aged Care Pension. As at 20 March 2025 this fee is \$63.82 per day. It will be indexed again in September 2025.

Means Tested Care Fee: We receive a certain level of subsidy from the Department for each resident to assist with the costs of care and services. Residents with a certain level of income and assets are required to contribute towards the costs of their care. Where a resident is assessed as being able to contribute to the costs of their care, the Department of Health requires the resident to pay a means tested care fee in addition to the standard resident contribution. When the Department tells us that a resident is required to pay a means tested fee, Trinity Manor receives a lower amount of subsidy from the government.

The means tested care fee a resident may be required to pay is dependent on resident's assessed level of income and assets and starts from \$1.00 per day, is capped at \$34,174.60 per annum and \$82,081.50 for lifetime.

Additional Services Fee: Trinity Manor Greensborough offers Additional Services. There are a number of package levels which may be selected. See Additional Services flyer for more details.

Respite Fees: The Respite Fee is the same as the Basic Daily Care fee. Additional Services are also available.
